Contents

map_DEP	2
map_DIST	2
map_PROV	3
map_REG	3

Index	5
--------------	----------

map_DEP

Geographic information of the departments of Peru

Description

Geographic information of the departments of Peru

Usage

map_DEP

Format

dataframe

COD_DEPARTAMENTO chr Department code

DEPARTAMENTO chr Department name

coords_x dbl Longitude of the centroid of the department

coords_y dbl Latitude of the centroid of the department

geometry MULTIPOLYGON Geometric object

map_DIST

Geographic information of the districts of Peru

Description

Geographic information of the districts of Peru

Usage

map_DIST

Format

dataframe

COD_REGION chr Region code

COD_DEPARTAMENTO chr Department code

COD_PROVINCIA chr Province code

COD_DISTRITO chr District code

REGION chr Region name

DEPARTAMENTO chr Department name

PROVINCIA chr Province name

DISTRITO chr District name
coords_x dbl Longitude of the centroid of the district
coords_y dbl Latitude of the centroid of the district
geometry MULTIPOLYGON Geometric object

 map_PROV

Geographic information of the provinces of Peru

Description

Geographic information of the provinces of Peru

Usage

map_PROV

Format

dataframe

COD_REGION chr Region code
COD_DEPARTAMENTO chr Department code
COD_PROVINCIA chr Province code
REGION chr Region name
DEPARTAMENTO chr Department name
PROVINCIA chr Province name
coords_x dbl Longitude of the centroid of the province
coords_y dbl Latitude of the centroid of the province
geometry MULTIPOLYGON Geometric object

 map_REG

Geographic information of the regions of Peru

Description

Geographic information of the regions of Peru

Usage

map_REG

Format

dataframe

COD_REGION chr Region code

REGION chr Region name

coords_x dbl Longitude of the centroid of the region

coords_y dbl Latitude of the centroid of the region

geometry MULTIPOLYGON Geometric object
